O Re: Your File No. 2810

Dear Mr. Boley:

P On June 19, 1979 you forwarded to me your letter
concerning the Ferto Corporation and their plan being in-
complete.

Y Please advise as to whether or not the environ-
mental assessment required by the National Environmental
Policy Act (NEPA) has been completed.

I have previously requested copies of the same,
tendered my check to your office, and as soon as the same is
available I do hereby request a copy of the same. I will
forward immediately such charges, costs or expenses as may
reasonably be necessary to obtain copies of the same.

Whether the plan has been completed or not has
certainly been no hindrance or limitation to U.S. Ferto in
their mining activities. May I hear from you at your
earliest opportunity.

Yours very truly,

James R. Gillespie
